10th July - 12th July 2020 - A compulsory surcharge for any over 18's, please add one per person in your party. Here is the festivals comment on this. "We're introducing a glamping surcharge to try to better cover the increasing cost of our infrastructure. As you're probably aware, small independent festivals struggle to balance the books - we need additional income to meet our expenses and keep the whole show on the road." This charge will only apply to over 18s/adults.
